

# *Baby Mittens Knitting Pattern*

***This is a very easy Project  
Skill Level: Super Easy***

The first two sizes  
(0-6 months and 6-12 months)  
are thumbless mittens.

The third size (1 – 2 years) has  
thumbs.

Instructions for the larger thumbless  
size are in brackets ( )

## Materials needed:

25 g double knit for one pair of thumbless mittens  
 35g double knit / for one pair of mittens with thumbs  
 Pair of 3.25mm knitting needles  
 Pair of 4mm knitting needles (main needles)

### Gauge/Tension

22sts and 30 rows to 10x10cm (4x4") square in stocking stitch on 4mm needles

### Useful Tip:

Please take a little time to knit a tension square. If your square is too small, try knitting again using a bigger pair of needles. If your square is too big, try knitting again on smaller sized needles.
